## About us

With the **Brauhaus Zwölf Apostel**, the **Eichbaum brewery**, which brewed its beer in Alzeyer Straße until 1978, wants to continue the tradition of the “**Twelve Apostles**”.

Since its opening in May 2008, the brewery has become a permanent fixture in the gastronomic offerings of the **Nibelungen city** of Worms.

We offer **traditional** and typical brewery dishes and a large selection of **regional dishes**.

In addition to the classics, our drinks menu naturally features an exquisite selection of **different beers** from the private brewery Eichbaum. Equally popular is the large **beer garden with 500 seats**, which has an old maple tree stand and invites you to linger.

Our beer garden is therefore particularly suitable for **coach groups** from all over the world. For smaller groups, family celebrations or company parties, we recommend the **conference room** on the second floor of the Brauhaus Zwölf Apostel in addition to our spacious guest room.

We will be happy to advise you so that your stay with us is unforgettable!

## How to find us

From the A61, A67, A6 or B9 take the **B47**, here you will find the brewery.

Address of our **P** parking lot: **Monsheimer Str. 18, 67549 Worms**
